

2012 Kick Butts Day Youth Rally Sponsor/Group Application

Big Tobacco has a long history of deceiving the public, hiding the truth, and targeting youth with its marketing. It's time to do something about that. Youth have the opportunity to share this with their representatives and how they feel about it, as well as make a statement. Encourage your youth to attend the No Limits Kick Butts Day Youth Rally and **Join the Clean-Air Revolution!** Both individuals and groups are welcome. A group sponsor is encouraged, but not required, especially for larger groups.

Sponsor Responsibilities:

Prior to the Rally:

- Assist youth/group in the application process (For youth requesting transportation, there will be questions to answer)
- Serve as coordinator with No Limits and your group with regard to logistics and specific circumstances
- Encourage youth to prepare for meetings by researching their representatives and the current issues

During the Rally:

- Join your group as they meet with their representative
- Attend and participate in all activities
- Communicate with other sponsors to see how efforts are going in other parts of the state
- Support No Limits staff and trainers as needed, as well as your youth
- Abide by the principles identified in the Sponsor Code of Conduct

After the Rally:

- Maintain contact with No Limits (especially as you continue your mini-grant activities)
- Encourage youth to follow through with plans and ideas developed at the rally
