

2018 No Limits Kick Butts Day Youth Rally

Sponsor/Group Application Basic Information

Big Tobacco has a long history of deceiving the public, hiding the truth, and targeting youth with its marketing. It's time to do something about that. Youth have the opportunity to share this with their representatives and how they feel about it, as well as make a statement. Youth have the power to stop the tobacco industry from addicting another generation. Encourage your youth to attend the No Limits Kick Butts Day Youth Rally and help create a tobacco-free world so we can all breathe easy. Both individuals and groups are welcome.

Sponsor Responsibilities:

Prior to the Rally:

- Narrow your group down to your **top 10** students (limits due to space; have a "backup" list)
- Assist youth/group in the application process
- Serve as coordinator with No Limits and your group with regard to logistics and specific circumstances
- Encourage youth to prepare for meetings by researching their representatives and the current issues

During the Rally:

- Join your group as they meet with their representative
- Attend and participate in all activities
- Communicate with other sponsors to see how efforts are going in other parts of the state
- Support No Limits staff and trainers as needed, as well as your youth
- Abide by the principles identified in the Sponsor Code of Conduct

After the Rally:

- Maintain contact with No Limits (especially as you continue your mini-grant activities)
- Encourage youth to follow through with plans and ideas developed at the rally
